

Lindsay Roberts

Always a dreamer, the desire to sing was placed in the heart of Lindsay Roberts at a young age. A Philadelphia-native, Miss Roberts earned her Bachelor of Music degree from the University of Maryland, College Park in Opera/Vocal Performance with a concentration in Music Education and her Master of Science in Arts Administration from Drexel University.

Highlights of her blossoming performance career include five national tours, numerous productions with New York City Center's famous ENCORES! series, multiple cast album recordings, and principal roles at regional theaters across the country.

Lindsay made her Broadway National Tour debut in the Tony Award-winning musical, MEMPHIS, covering the starring role of Felicia Farrell. She then completed the Broadway First National Tour of THE GERSHWINS' PORGY AND BESS covering the role of Clara. Recently, Lindsay was seen starring in Broadway's AFTER MIDNIGHT in the role of "Creole Love Call" with Norwegian Cruise Productions.

Her passion for performance is also matched by a passion for education. Miss Roberts has served as both a director and music director for numerous youth productions and dedicates much of her time to organizations that promote the training and encouragement of young actors like the Broadway Dream Foundation. In the summer of 2013, she traveled to Accra, Ghana to continue that legacy while working with the young actors of the St. Martin de Porres School. It was on that trip that her inspiration for international arts education and training, was ignited. Lindsay completed her graduate studies in Performing Arts Administration with a 4.0 GPA and recently published her thesis, "Designing Performing Arts Education Programs for Maximum Potential in Public Schools: A Guide to Practical Planning and Evaluation."

With her heart and eyes looking toward the future, Lindsay is truly fulfilling her purpose. Always supported by the endless love and encouragement of her family and friends, she couldn't be happier. She personifies talent, grace, and the belief that with God's favor, the sky is the limit!
